Attorneys for Plaintiff

UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA

**Chris Langer,**

Plaintiff,

v.

**Gamestop, Inc.,** a Minnesota  
Corporation.

Defendants.

**Case No.**

**Complaint For Damages And  
Injunctive Relief For Violations  
Of: American's With Disabilities  
Act; Unruh Civil Rights Act**

Plaintiff Chris Langer ("Plaintiff") complains of Gamestop, Inc., a Minnesota Corporation ("Defendants"), and alleges as follows:

**PARTIES:**

1. Plaintiff is a disabled individual and a member of a protected class of persons under the Americans with Disabilities Act. Plaintiff suffers from Delayed Endolymphatic Hydrops (DEH) which has caused permanent partial hearing loss. He utilizes a variety of assistive listening devices in his day to day life, including hearing aids and headphones to compensate, though this still does not enable him to receive complete aural communication. When consuming audio content such as movies or tutorials on the internet he turns on closed captioning in order to comprehend all of the content.

2. Defendant Gamestop, Inc., ("Gamestop") owned or operated the

1 Gamestop Stores located throughout California, including stores in San Diego  
2 County and San Francisco County, in December 2020.

3 3. Defendant Gamestop, Inc., owns and/or operates Gamestop Stores  
4 located throughout California, including stores in San Diego County and San  
5 Francisco County currently.

6 4. Defendant Gamestop owned or operated the Gamestop website, with a  
7 root domain of: gamestop.com, and all related domains, sub-domains and/or  
8 content contained within it, ("Website") in December 2020.

9 5. Defendant Gamestop owns or operates the Website currently.

10 6. Plaintiff does not know the true names of Defendants, their business  
11 capacities, their ownership connection to the property and business, or their  
12 relative responsibilities in causing the access violations herein complained of,  
13 and alleges a joint venture and common enterprise by all such Defendants.  
14 Plaintiff is informed and believes that each of the Defendants herein, is  
15 responsible in some capacity for the events herein alleged, or is a necessary  
16 party for obtaining appropriate relief. Plaintiff will seek leave to amend when  
17 the true names, capacities, connections, and responsibilities of the Defendants  
18 are ascertained.

19 **JURISDICTION & VENUE:**

20 7. The Court has subject matter jurisdiction over the action pursuant to 28  
21 U.S.C. § 1331 and § 1343(a)(3) & (a)(4) for violations of the Americans with  
22 Disabilities Act of 1990, 42 U.S.C. § 12101, et seq. ("ADA")

23 8. This court has supplemental jurisdiction over Plaintiff's non-federal  
24 claims pursuant to 28 U.S.C. § 1367 because Plaintiff's Unruh claims are  
25 formed from the same case and/or controversy and are related to Plaintiff's  
26 ADA claims. A violation of the ADA is a violation of Unruh. (Cal. Code §51(f).

27 9. Venue is proper in this court pursuant to 28 U.S.C. § 1391(b). Defendant  
28 is subject to personal jurisdiction in this District due to its business contacts

1 with the District.

2 **FACTUAL ALLEGATIONS:**

3 10. Plaintiff suffers from hearing loss and is a member of a protected class  
4 under the ADA.

5 11. Plaintiff relies on subtitles and closed captioning to hear audio in  
6 recorded content.

7 12. Gamestop operates “brick and mortar” facilities throughout California,  
8 open to the public, places of public accommodation, and business  
9 establishments.

10 13. Gamestop offers videos on its Website to induce customers to purchase  
11 its goods and to provide ideas on how to best use them. Websites and videos  
12 are some of the facilities, privileges, or advantages offered by Defendants to  
13 patrons of Gamestop.

14 14. Plaintiff was a prospective customer who wished to access Defendant’s  
15 goods and services.

16 15. Plaintiff visited the Website in December 2020 to look for information  
17 about the company and its products.

18 16. When Plaintiff attempted to view video content on the Website, he  
19 discovered that the videos lacked closed captioning, which made him unable  
20 to fully understand and consume the contents of the videos.

21 17. Plaintiff experienced difficulty and discomfort in attempting to view  
22 videos including: “Plugged-in with Gamestop: Playstation 4 Pro Black 1TB”.  
23 As a result of this inaccessibility he was deterred from further use of the  
24 Website.

25 18. Currently, the Defendants either fail to provide an accessible website or  
26 Defendants have failed to maintain in working and useable conditions those  
27 website features required to provide ready access to persons with disabilities.

28 19. Despite multiple attempts to access the Website using Plaintiff’s

1 computer, Plaintiff has been denied the full use and enjoyment of the facilities,  
2 goods and services offered by Defendants as a result of the accessibility  
3 barriers.

4 20. Plaintiff personally encountered accessibility barriers and has actual  
5 knowledge of them.

6 21. By failing to provide an accessible website, the defendants denied  
7 Plaintiff full and equal access to the facilities privileges or advantages offered  
8 to their customers.

9 22. Plaintiff has been deterred from returning to the website as a result of  
10 these prior experiences.

11 23. The failure to provide accessible facilities created difficulty and  
12 discomfort for the Plaintiff.

13 24. If the Website had been constructed equally accessible to all individuals,  
14 Plaintiff would have been able to navigate the website and avail himself of its  
15 goods and/or services.

16 25. Additionally, Plaintiff is a tester in this litigation and seeks future  
17 compliance with all federal and state laws. Plaintiff will return to the Website  
18 to avail himself of its goods and/or services and to determine compliance with  
19 the disability access laws once it is represented to him that the Gamestop and  
20 Website are accessible.

21 26. Plaintiff is currently deterred from doing so because of Plaintiff's  
22 knowledge of the existing barriers and uncertainty about the existence of yet  
23 other barriers on the Website. If the barriers are not removed, Plaintiff will  
24 face unlawful and discriminatory barriers again.

25 27. The barriers identified above violate easily accessible, well-established  
26 industry standard guidelines for making digital content accessible to people  
27 with hearing-impairments to access websites. Given the prevalence of  
28 websites that have implemented these standards and created accessible digital

1 content, it is readily achievable to construct an accessible website without  
2 undue burden on Gamestop or a fundamental alteration of the purpose of the  
3 Website.

4 28. Compliance with W3C Web Content Accessibility Guidelines  
5 (“WCAG”) 2.0 AA standards are a viable remedy for these deficiencies and a  
6 standard that has been adopted by California courts for website accessibility.

7 29. It’s been established that failure to remove inaccessible website  
8 conditions violates the ADA and California law and requiring compliance with  
9 industry access standards is a remedy available to the plaintiff.

10 30. The website content was intentionally designed, and based on  
11 information and belief, it is the Defendants’ policy and practice to deny  
12 Plaintiff access to the website, and as a result, deny the goods and services that  
13 are otherwise available to patrons of Gamestop.

14 31. Due to the failure to construct and operate the website in line with  
15 industry standards, Plaintiff has been denied equal access to Defendant’s  
16 stores and the various goods, services, privileges, opportunities and benefits  
17 offered to the public by Gamestop.

18 32. Closed captioning can be provided at little cost, sometimes free or mere  
19 dollars per minute of video content.

20 33. Given the nature of the barriers and violations alleged herein, the  
21 plaintiff alleges, on information and belief, that there are other violations and  
22 barriers on the Website that relate to his disability. In addition to the barriers  
23 he personally encountered, Plaintiff intends to seek removal of all barriers on  
24 the Website that relate to his disability. See *Doran v. 7-Eleven* (9th Cir. 2008)  
25 524 F.3d 1034 (holding that once a plaintiff encounters one barrier, they can  
26 sue to have all barriers that relate to their disability removed regardless of  
27 whether they personally encountered the barrier).

28 34. Plaintiff will amend the complaint, to provide further notice regarding

1 the scope of the additional demanded remediation in the event additional  
 2 barriers are uncovered through discovery. However, please be on notice that  
 3 the plaintiff seeks to have all barriers related to his disability remedied.

4 **I. FIRST CAUSE OF ACTION: VIOLATION OF THE AMERICANS**  
 5 **WITH DISABILITIES ACT OF 1990** (On behalf of Plaintiff and against all  
 6 Defendants.) (42 U.S.C. section 12101, et seq.)

7 35. Plaintiff re-pleads and incorporates by reference, as if fully set forth  
 8 again herein, the allegations contained in all prior paragraphs of this  
 9 complaint. Defendant is a public accommodation with the definition of Title  
 10 III of the ADA, 42 USC § 12181.

11 36. The website provided by the Defendant is a service, privilege or  
 12 advantage of Gamestop's brick and mortar facility.

13 37. When a business provides services such as a website, it must provide an  
 14 accessible website.

15 38. Here, access to an accessible website has not been provided. A failure to  
 16 provide an accessible website is unlawful discrimination against persons with  
 17 disabilities.

18 39. Under the ADA, it is an act of discrimination to fail to ensure that the  
 19 privileges, advantages, accommodations, facilities, goods and services of any  
 20 place of public accommodation is offered on a full and equal basis by anyone  
 21 who owns, leases, or operates a place of public accommodation. *See*: 42 U.S.C.  
 22 § 12182(a). Discrimination is defined, inter alia, as follows: "A failure to make  
 23 reasonable modifications in policies, practices, or procedures, when such  
 24 modifications are necessary to afford goods, services, facilities, privileges,  
 25 advantages, or accommodations to individuals with disabilities, unless the  
 26 accommodation would work a fundamental alteration of those services and  
 27 facilities. 42 U.S.C. § 12182(b)(2)(A)(ii)."

28 40. Here, the failure to ensure that the accessible facilities were available

1 and ready to be used by the plaintiff is a violation of the law.

2 41. Pursuant to 42 U.S.C. § 12188 and the remedies, procedures and rights  
3 set forth and incorporated therein, Plaintiff requests relief as set forth below.

4 **II. SECOND CAUSE OF ACTION: VIOLATION OF THE UNRUH CIVIL**  
5 **RIGHTS ACT** (On behalf of Plaintiff and against all Defendants.) (Cal. Civ.  
6 Code § 51-53.)

7 42. Plaintiff repleads and incorporates by reference, as if fully set forth  
8 again herein, the allegations contained in all prior paragraphs of this  
9 complaint. The Unruh Civil Rights Act (“Unruh Act”) guarantees, inter alia,  
10 that persons with disabilities are entitled to full and equal accommodations,  
11 advantages, facilities, privileges, or services in all business establishment of  
12 every kind whatsoever within the jurisdiction of the State of California. Cal.  
13 Civ. Code §51(b).

14 43. The Unruh Act provides that a violation of the ADA is a violation of the  
15 Unruh Act. *Cal. Civ. Code* § 51(f).

16 44. Defendants’ acts and omissions, as herein alleged, have violated the  
17 Unruh Act by, inter alia, denying, or aiding, or inciting the denial of, Plaintiff’s  
18 rights to full and equal use of the accommodations, advantages, facilities,  
19 privileges, or services offered.

20 45. Because the violation of the Unruh Civil Rights Act resulted in difficulty,  
21 discomfort or embarrassment for the plaintiff, the defendants are also each  
22 responsible for statutory damages, i.e., a civil penalty. *Cal. Civ. Code* §  
23 55.56(a)-(c).

24 46. Pursuant to 42 U.S.C. § 12188 and the remedies, procedures and rights  
25 set forth and incorporated therein, Plaintiff requests relief as set forth below.

26 **PRAYER:**

27 Wherefore, Plaintiff prays that this Court award damages and provide  
28 relief as follows:

1 1. A Declaratory Judgment that at the commencement of this action  
2 Defendants were in violation of the requirements of the ADA due to  
3 Defendants' failures to take action to ensure that its websites were fully  
4 accessible to and independently usable by hearing-impaired individuals,  
5 including providing closed-captioning on all video content containing audio  
6 elements.

7 2. Pursuant to 42 U.S.C § 12181, a preliminary and permanent injunction  
8 enjoining Defendants from violating the ADA with respect to its website.

9 3. Damages under the Unruh Civil Rights Act § 51<sup>1</sup>, which provides for  
10 actual damages and a statutory minimum of \$4,000 for each offense.

11 4. Reasonable attorney fees, litigation expenses and costs of suit, pursuant  
12 to 42 U.S.C. § 12205; and *Cal. Civ. Code* § 52.
